▪ **Art 31 SUPPLEMENTARY SPECIFICATIONS**

These supplementary regulations are based on the VAS 2018 Standard Regulations Rally – Rallysprint.

For the complete Sport and Technical Regulations Rally – Rallysprint we refer to the VAS regulations and the National Sports codes of RACB.

Damage caused by the competitor; before, during or after the event; to third parties or other competitors should be reported immediately to the organiser.

In case of an accident with damage, the competitor is obligated to contact the technical scrutineer to get his car checked before the next section.

This scrutineering will take place at the servicepark.

▪ ART 32 OTHER

- The servicepark will be accessible from 12h00 on Saturday May 5th 2018
Registration for entering the servicepark is obligated. The entrance will be located in the “Poperingestraat” at the intersection with the “Kruisstraat”. (See plan on our website). The organisation will point out a place in the servicepark according to the plan.

Considering the risk of fire in the servicepark every individual service-area must be equipped with a controlled fire extinguisher ABC with a minimum of 6 kilograms, due to norm EN 3-7. It means that every service-place should have a valid extinguisher. When a check by organisation, by authority's or federation-officials points out that there is no extinguisher available, the crew will be disqualified.

- **Teams with multiple competing cars must contact the organisation in advance (before April 30th) by email info@ypresrally.com**
- Trailers are not allowed in the service area. The Trailer park is near “Neerstraat”. A Map is available at the website.
- For every competing car we provide a service place for 1 rally car and 1 service vehicle.
The transit ticket “service” must be put behind the windscreen at a visible place.
Additional transit tickets are obtainable for €50,00/ticket.
Vehicles without transit ticket “service” will be fined for €125,00 (VAS C6 Art22)
- Please respect the residents. They should have access to their garage at any time.
- There is a maximum speed of 30 km/h in the service zone.
- The road in the servicepark should remain free at any time.
- Each team has to use compulsory a ground sheet. VAS (C7 Art16)

**For every violation to 1 of the rules above,
the violating team can be disqualified.**
